EMPLOYMENT SERVICES

David Roy, Cache Bay, Ontario

After high school, I encountered a lot of barriers when trying to find a job. I didn't know where to turn. CHS Employment Services gave me the advice and support I needed. Now, I'm a personal support worker and CHS has continued to support my career goals by providing advocacy, devices and other specialized equipment as I work to become a recreational therapist.

Established in 1940, Employment Services is a free service for people who are Deaf and hard of hearing and the largest of its kind in Ontario.
