

Work in York – Sector Library Quick Reference Guide

The Sector Library provides information about different industries and identifies regional industry participants through the North American Industry Classification System (NAICS). NAICS is an industry classification system developed by the statistical agencies of Canada, Mexico and the United States.

On the left-hand side of the webpage, you will see the following two options: ‘Home’ (the page you are currently on) and ‘Explore Industries’.

On the ‘Home’ page you will be prompted with a brief overview of industry groups with available job opportunities highlighted. This can be accessed by clicking the arrow positioned by the NAICS code.
